License Agreement between the Apache Software Foundation and IBM

This License Agreement is entered into as of the
____ day of March, 2000, ____ between ____ ____ ,
__I B M_____ ("Licensor"), and
The Apache Software Foundation, a Delaware nonstock
membership corporation (the "Foundation").

NOW, THEREFORE, FOR GOOD AND VALUABLE CONSIDERATION,
the receipt and legal sufficiency of which are hereby
acknowledged, the parties hereto, intending to be
legally bound, agree as follows:

1. Licensor hereby grants to the Foundation a
non-exclusive, irrevocable, perpetual, worldwide,
no-charge, royalty-free, transferable, sublicensable
copyright license to use, execute, prepare derivative
works of, and distribute the software source code
listed on Exhibit A ("Software") and such derivative
works.

2. Licensor represents (but does not warrant) that
Licensor is legally entitled to grant the above license.
Licensor agrees to notify the Foundation of any facts
or circumstances of which Licensor becomes aware
and which makes or would make Licensor's representations
in this License Agreement inaccurate in any respect.

3. The Foundation agrees to distribute the Software and
its derivative works only under the terms and conditions
of a license agreement. This license agreement must
include the following notice:

   "This software consists of voluntary contributions
   made by many individuals on behalf of the Apache
   Software Foundation, and was originally based on
   software copyright (c) 1999, International Business
   Machines, Inc., http://www.ibm.com ."

Except for the above notice, the Foundation may determine
in its discretion the terms and conditions of the license
agreement it applies to copies of the Software and its
derivative works distributed by the Foundation.

4. The Software is provided AS-IS, without warranty of
any kind (either express or implied) including, without
limitation, any implied warranty of merchantability and
fitness for a particular purpose and any warranty of
non-infringement. NEITHER IBM NOR ITS SUPPLIERS WILL BE
LIABLE TO THE FOUNDATION OR ITS LICENSEES FOR ANY DIRECT
OR INDIRECT DAMAGES, INCLUDING WITHOUT LIMITATION, LOST
PROFITS, LOST SAVINGS, OR ANY INCIDENTAL, SPECIAL, OR
OTHER ECONOMIC CONSEQUENTIAL DAMAGES, EVEN IF IBM IS
INFORMED OF THEIR POSSIBILITY.

5. In consideration of the licenses granted herein, the
Foundation and Licensor agree to engage in reasonable
activities to publicize this transaction for a reasonable
period of time following execution of this License Agreement.

including a joint press release and a joint announcement
and briefing at _____ on _____. The content
of the press release shall be jointly agreed to by the
Foundation and Licensor acting in good faith.

6. The parties acknowledge and agree that the Foundation
frequently licenses software under terms which include the
following requirement (or a similar requirement):

   All advertising materials mentioning features or use
   of this software must display the following
   acknowledgment:
   "This product includes software developed by The Apache
   Software Foundation for use in the Apache HTTP server
   project (http://www.apache.org/)."

The parties to this License Agreement acknowledge and agree
that, for purposes of any license for software granted by
the Foundation (whether past, present or future) to
Licensee, Licensee shall be deemed in compliance with the
above requirement (and any similar requirement) if Licensee
includes the required text in the documentation accompanying
any redistribution of the software in at least one of the
locations where Licensee customarily locates attributions
of a similar nature (e.g., in a readme file or the trademark
attributions section of a manual or help database).

IN WITNESS WHEREOF, Licensor and the Foundation acknowledge
that except as expressly provided in this License Agreement
IBM does not grant the Foundation any other rights or
licenses to IBM's intellectual property, and have caused
this License Agreement to be executed on their behalf
as of the date first written above.
